The completion of an enrolment application form or the placement of your child's/ward's name on a list, however early, does not confer an automatic right to a place in the school.

## Decision Making

Decisions in relation to applications for enrolment are made by the Board of Management in accordance with school policy. The Board will notify parents of their decision within 21 days of the closing date for the receipt of applications.

The Board will have regard for relevant Department of Education and Skills guidelines in relation to class size and staffing provisions and/or any other relevant requirements concerning accommodation, including physical space and the health and welfare of children.

The Board is bound by the Department of Education and Skills *Rules for National Schools* which provides that pupils may only be enrolled from the age of 4 years and upwards, though compulsory attendance does not apply until the age of 6 years.

In the event that applications for enrolment exceed/is expected to exceed the number of places available the following decision making process will apply.

Parents and new entrants are invited in to the school in June. Children are introduced to their new teacher and to each other, and generally familiarise themselves with their new classroom.

No child will be discriminated against on grounds of gender, race, socio-economic background or disability.

The school will endeavour to meet the needs of all children, including those with special needs in so far as the DES will provide the resources necessary.

Parents of children with special need are required to furnish the school with all the necessary reports / documents relevant to the child's condition.

Parents of children transferring into the area follow the same procedure of application as outlined above and may be enrolled at any time during the school year

The Board of Management reserves the right to determine the maximum number of children in each separate classroom bearing in mind Department and Education Guidelines in relation to class size and staffing provisions. Other factors that may be considered are:

- Size and available space in classrooms.
- Educational needs of children of a particular age.
- Multi-grade classes.
- Presence of children with special educational/behavioural needs.
- Health and Safety.

### Admission Day/Date

Junior Infants, with the exception of students transferring from another school, may only be admitted to the school prior to September 30<sup>th</sup> in the school year.

### Enrolment of Children with Special Needs

On enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report or where such a report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to his/her disability or special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will request the Special Education Needs Organiser (NCSE see Circular 01/05) to provide the resources required to meet the needs of the child as outlined in the psychological and/or medical report. These resources may include for example, access to or the provision of any or a combination of the following: visiting teacher service, resource teacher for special needs, special needs assistant, specialised equipment or furniture, transport services or other.

The school will meet with the parents/guardians of the child and with the SENO to discuss the child's needs and the school's suitability or capability in meeting those needs. Where necessary, a full case conference involving all parties will be held, which may include parents, principal, class teacher, learning support teacher, special class teacher, resource teacher for special needs, Special Educational Needs Organiser or psychologist, as appropriate.

It may, in certain circumstances, be necessary for the Board of Management to defer admission of a child pending the completion of an assessment report and/or provision of the necessary resources by the Department of Education and Skills.

### Pupils Transferring

Applications for enrolment during the school year will be considered subject to school policy, available space and the provision of information concerning attendance and the child's educational progress.

Such applications will be dealt with on a case-by-case basis but will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area.
