1. INTRODUCTION

In compliance with Section 23 of the Education (Welfare) Act 2000, the Board of Management of Scoil na Maighdine Mhuire has prepared and made available a Code of Behaviour for its Pupils, Staff and Parents.

The Code of Behaviour details:

1. The standards of behaviour that shall be observed by each pupil attending the school;
2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and
7. The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of Scoil na Maighdine Mhuire has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', National Educational Welfare Board, 2008.

2. POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps;

- i. Parents and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- ii. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the Principal.
- iii. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.
- iv. The finalised draft of the policy was submitted for the Patron's Approval.

3. AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences
- To ensure the safety and well being of all members of the school community
- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

4. WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff and parents in the review and operation of the Code.

5.2 Staff

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class. They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive Behaviour.
- Ensure there is an appropriate level of supervision at all times.
- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the Principal.

5.3 Parents/Guardians

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive Behaviour in school. Parents/guardians can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort.

Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

6. PROMOTING POSITIVE BEHAVIOUR

As a general rule the school will endeavor to create an environment where positive Behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive Behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor Behaviour so that not only good Behaviour but also improvement in Behaviour is acknowledged.

A reward scheme for promoting positive Behaviour will be used. Such rewards will include;

- 'Congratulations' and Happygrams sent to parent(s)/guardian(s)
- Personalised letters to parent(s)/guardian(s)
- Special privileges
- A visit to another member of staff or principal for commendation
- A word of praise in front of a group or class
- A system of merits/token
- Student of the week certificates
- Gaeilgeoir na Seachtaine

7. INAPPROPRIATE BEHAVIOUR

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

Level One

Level 1: Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reinforcement of alternative positive behaviour
- Temporary separation from peers, friends or others
- Prescribing additional work
- Loss of privileges
- Parent contact
- Behaviour contract

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Open Circle or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

Level Two

Level 2: Behaviours

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Stealing
- Cheating
- Use of profanity
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)
- Leaving the school without permission during the school day or leaving the care of school staff during school outings.

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the Principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour
- Implementation of extensive Behaviour management plan

Level 2: Supportive Interventions

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Assistant Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).

Level Three

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, handicap, or ethnic origin

Level 3: Disciplinary Actions

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend upon the severity and frequency of the specific Behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this Behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

8. PROCEDURES FOR SUSPENSIONS & EXPULSIONS

11. ANTI-BULLYING POLICY

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of *Scoil na Maighdine* has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published by the Department of Education & Skills in September 2013.

11.1 Best Practice in the Prevention of Bullying Behaviour

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

11.2 Definition of Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools, DES, 2013*.

11.3 School Contact Personnel

The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

The relevant teacher is usually the class teacher. (In some cases the yard duty teacher may make a report to the class teacher if an incident occurs in the yard.)

11.4 Education & Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber- bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- The SPHE program, including Stay Safe, Friends for Life, Dina Dinosaur and the Incredible years program are used throughout the school to support our anti bullying policy
- It is the responsibility of school management in conjunction with staff and pupils to develop a system under which good supervisory and monitoring measures are in place both to prevent

and deal with bullying behaviour. Good supervision and monitoring systems also facilitate early intervention. Such measures might include appropriate supervision of school activities on a rota basis. The identification of “hot-spots” and “hottimes” can be very beneficial in preventing and dealing with bullying in school. All pupils and in particular senior pupils can be seen as a resource to assist in countering bullying.

- Positive self esteem is fostered among the pupils by celebrating individual differences, by acknowledging good behavior and by providing opportunities for success
- Programs used help pupils to develop empathy by discussing feelings and by trying to put themselves in the place of others.
- Teachers respond sensitively to pupils who disclose incidents of bullying
- The schools anti bullying policy is discussed regularly with the pupils
- Staff are particularly vigilant in monitoring pupils who are considered at risk of bullying/being bullied
- All disclosed incidents of bullying are investigated
- Members of the Board of Management are familiar with the schools policy on bullying
- Parents continue to support the schools anti bullying policy by encouraging positive behavior both at home and at school and by being vigilant for signs and symptoms that their child is being bullied or is bullying others and to communicate their concerns to the school.
- Approaches to decreasing the likelihood of bullying for pupils with SEN include improving inclusion, focusing on developing social skills, paying attention to key moments such as transitioning from primary to post-primary and cultivating a good school culture which has respect for all and helping one another as central.

11.5 Investigation & Follow-Up Procedures

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;

- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in relation to what happened.
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved will be contacted at an early stage to inform them of the matter and explain the actions being taken. The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;

- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school; Sanctions may include some or all of the sanctions detailed in the schools Code of Behaviour at Level 2

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;
 - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school's procedures must be consistent with this approach.

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher. This will usually be the class teacher initially.
- Teaching and non-teaching staff such as , special needs assistants (SNAs,), school secretary , caretaker, cleaner must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

Investigating and dealing with incidents:

In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;

- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in relation to what happened.

- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;
It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved will be contacted at an early stage to inform them of the matter and explain the actions being taken. The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school; Sanctions may include some or all of the sanctions detailed in the schools Code of Behaviour at Level 2

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;
 - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

Informal- pre-determination that bullying has occurred

- All staff must keep a written record of any incidents witnessed by them or notified to them. Each teacher will record these in their teacher incident book. All incidents must be reported to the relevant class teacher and input on Aladdin
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

Formal Stage 1-determination that bullying has occurred

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- At the initial stage the class teacher keeps their records in the class incident book in the classroom.

- The class teacher may inform all staff if there is an ongoing issue so that all staff are aware and vigilant while on yard duty.

Formal Stage 2-Appendix 3

The relevant teacher must use the recording template at **Appendix 3** to record the bullying behaviour in the following circumstances:

- a) in cases where in the professional judgement of the teacher he/she the bullying behaviour has not ceased within 20 school days after he/she has determined that bullying behaviour occurred; and
- b) In cases where a pupil or group of pupils cause deliberate and intentional harm to a pupil(s)
- c) In cases where a pupil or group of pupils threaten physical harm to a pupil(s)

When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal. The principal will store these records in the office . The class teacher will store their records in the class incident book kept locked in the filing cabinet.

11.6 Working with Pupils Affected by Bullying

For pupils who have engaged in bullying behaviour

- Pupils may be asked to sign a promise sheet that they will not engage in this behaviour in the future.
- Some pupils may need further support in terms of friendship and social skills and may if appropriate and with parental consent be offered some teaching support in this regard

In relation to bullying in schools Children First Guidance for the Protection of Children 2011 (Children First) and the Child Protection Procedures for Primary and Post-Primary Schools provide that in situations where *“the incident is serious and the behaviour is regarded as potentially abusive the school must consult the HSE Children and Family Social Services with a view to drawing up an appropriate response such as a management plan”*
